Adams County Head Start

Permission for Administration of Medication

Adams County Head Start strongly recommends that medications be given to children at home, it is realized that this is not always possible. In order for your child to receive prescription or non-prescription medication while at Head Start, you must complete this form and turn it in along with the physicians signed and written instructions.

Child's Name: _____ Date of Birth: _____

Medical Condition: _____

Medication: _____ Dose: _____

Time to Give Medication: _____ How to be given: _____

Physician's Name: _____

All medication must be sent to Adams County Head Start with your child's name on it and in the original container.

Parent or Guardian signature indicates permission for Adams County Head Start Staff to administer the above named medication in accordance with the physicians written instructions.
